

November 13, 2017

The Honorable Neal Dunn (FL)
United States House of Representatives
423 Cannon House Office Building
Washington, D.C. 20515

On behalf of the 22,000 Members of the Association of the United States Navy (AUSN), we pledge our support for H.R. 4323, the Supporting Veterans in STEM Careers Act. This bill would provide Veterans more jobs and educational opportunities in sciences.

The Supporting Veterans in STEM Careers Act would require the National Science Foundation (NSF) to have a plan to increase Veterans participation in science, technology, engineering, and mathematics (STEM) fields and publish data about Veteran participation in the annual reports. Additionally, the bill would revise the NSF Noyce Teacher Scholarship program, scholarship program, and cyber grant programs to include Veterans.

Thank you for taking an active role in such an important issue to the Military and Veteran community by working to improve the lives and careers of those who served our great nation. Please feel free to contact me with any questions or concerns at 703-548-5800 or at michael.little@ausn.org.

Sincerely,

A handwritten signature in blue ink that reads "Michael Joseph Little". To the right of the signature, there is a small, handwritten note in blue ink that says "AKH-2 (AUSN) USNR".

Michael J. Little
Director of Legislative Affairs
