AMENDMENT TO THE AMENDMENT IN THE
NATURE OF A SUBSTITUTE TO H.R. 5781
OFFERED BY MRS. KIM OF CALIFORNIA

Page 10, line 10, strike “and” after the semicolon.

Page 10, line 18, strike the period and insert a semicolon.

Page 10, after line 18, insert the following:

(F) develop and execute a research plan on public safety communication coordination standards among federal, state, local, and tribal wildland firefighters, fire management response officials and the National Interagency Fire Center;

(G) carry out research to improve and integrate existing communications systems to transmit secure real-time data, alters, and accurate advisories to wildland firefighters;

(H) carry out both live and virtual field testing and measurement of equipment, software, and other technologies to determine current effectiveness and times of information dissemination and develop standards and best
practices for the delivery of useful and secure real-time data to wildland firefighters; and

(I) develop and publish recommendations to improve public safety communication coordination standards among wildland firefighters and member agencies of the National Inter-agency Fire Center, including providing such recommendations to the Office of Management and Budget and the Office of Science and Technology Policy.
