AMENDMENT TO DEPARTMENT OF ENERGY
SCIENCE AND INNOVATION ACT OF 2018
OFFERED BY MR. WEBER OF TEXAS

Page 44, line 17, insert the following new subsection
(and redesignate succeeding subsections accordingly):

(e) MODELING RESEARCH.—As part of the activities
described in subsection (a), the Director is authorized to
carry out research to develop multiscale computational
models that incorporate and examine interactions among
human and earth systems.

Page 47, strike lines 1 through 4 (and redesignate
succeeding subsections accordingly).

Page 49, strike lines 1 through 14 (and redesignate
the succeeding subsection accordingly).
