AMENDMENT TO H.R. 3609

OFFERED BY __________________________

At the end of the bill add the following:

1 SEC. 7. SENSE OF CONGRESS.

2 It is the sense of Congress that in order to reduce emissions and meet 100 percent of the power demand in the United States through clean, renewable, or zero-emission energy sources, the Secretary must prioritize research and development for all innovative energy technologies, including research to develop and improve the efficiency of fossil and nuclear power technologies.
