Dear all,

First, may I repeat that it was a real pleasure to meet and work with you for IARC monograph vol 112. I think we made quite a nice team – Thanks ☺

Thanks also for the nice moments we shared during the (little) free time we had in Lyon. As promised, here are two photos taken at Ivan's place on Monday evening. The quality of the photos is not so good but I believe the nice atmosphere of the evening clearly shines through the photos ...  
[please forward the photos to Andy, as I don't have his e-mail address]

Greetings from a sunny but chilly (0 deg celcius) Helsinki,  
Take care  
Frank
