

Committee on Science, Space, and Technology

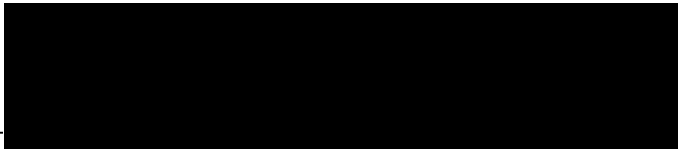

U.S. House of Representatives

Witness Disclosure Requirement - "Truth in Testimony"

Required by House Rule XI, Clause 2(g)(5)

1. Your Name: Philip Wennblom		
2. Are you testifying on behalf of the Federal, or a State or local government entity?	Yes	No X
3. Are you testifying on behalf of an entity that is not a government entity?	Yes X	No
4. Other than yourself, please list which entity or entities you are representing: Intel Corporation		
5. Please list any Federal grants or contracts (including subgrants or subcontracts) that you or the entity you represent have received on or after October 1, 2008: Intel Corporation has a number of grants, cooperative agreements, software licenses and other transactions with various federal agencies, including DARPA, NSF and USAF. Work performed under these agreements has primarily been in silicon photonics component research and fundamental research in ubiquitous computing, although we also have licensed commercial off-the-shelf software to some federal agencies. The amounts involved in these grants and contracts have ranged from several hundred thousand dollars or less up to 30 million dollars. If there is interest in receiving more information on these contracts, please let us know.		
6. If your answer to the question in item 3 in this form is "yes," please describe your position or representational capacity with the entity(ies) you are representing: Director of Standards, part of Intel's Global Public Policy organization		
7. If your answer to the question in item 3 is "yes," do any of the entities disclosed in item 4 have parent organizations, subsidiaries, or partnerships that you are not representing in your testimony?	Yes	No X
8. If the answer to the question in item 3 is "yes," please list any Federal grants or contracts (including subgrants or subcontracts) that were received by the entities listed under the question in item 4 on or after October 1, 2008, that exceed 10 percent of the revenue of the entities in the year received, including the source and amount of each grant or contract to be listed: Although I do not represent any of Intel Corporation's subsidiaries, we would be happy to also provide more information on any of those entities that may cross the 10% threshold. Our new subsidiary set up to deal with federal contracts has not engaged in any business yet with the U.S. government, but among our several hundred subsidiaries there may be a few that have received sufficient federal grants or contracts to meet the threshold		

I certify that the above information is true and correct.
