Question 5

Committee on Autonomy Research for Civil Aviation

Sponsors / Contract Amount / Contract Number:

NASA / \$511,738 / NNH10CD04B

In addition the National Research Council has several hundred federal contracts to study a wide range of questions, ranging from health care to space policy. The NRC would be pleased to produce information on any of these contracts that would be of interest to the committee.

Question 6

The work of the Committee on Autonomy Research for Civil Aviation was fully funded by the U.S. federal government, as are the vast majority of all National Research Council studies, and I am not aware of any work by the National Research Council that is funded by foreign governments.
